

SPOTLIGHT ON STRATEGIC PLANNING COMMITTEE

By David Engle, Strategic Planning Committee Chair

Trinity's strategic planning committee has been meeting monthly since late summer, 2023. We meet directly following the Sunday service with a small break between the service and the meeting so that our members can be part of the post-service fellowship downstairs. But then it's back to work!

We started our work together by getting to know each other better; to hear what people thought of our church and to share our aspirations for the future of Trinity. We then did a Strength, Weaknesses, Opportunities and Threats (SWOT) analysis together. That document is available upon request. We shared a document on the basics of strategic planning, as well. We spent a meeting looking at how to match the process of designing a church project with a larger strategic focus on increasing our Christian discipleship. Our most recent meeting in October was spent putting on paper the five (5) strategic topics we felt were impera-

tive to address as a church. Each member submitted (or will soon!) a worksheet that captured their ideas. I'm now looking at those worksheets and capturing the common strategic ideas/projects. See the list that follows:

- Building future fiscal sustainability
- Continual expansion of our music ministry
- Increasing discipleship through an international mission trip
- Upgrading our kitchen to better serve our congregational and community ministries.
- Continue to grow our youth ministry.
- Increasing access for all through ADA improvements to our facility
- Deepening our emphasis on being a reconciling congregation in our community ministries

The mission of the Trinity United Methodist Church is to be a welcoming ministry to all persons equally; to nurture spiritual development, fellowship and outreach.

PASTOR'S LOG

By Pastor Tony Brown

Oprah's list of favorite things for 2023 is out and the list includes Christmas gifts such as Lollia Elegant Bubble Bath (\$46), Le Creuset Bread Oven (\$300), and Zola Bakes Purple Ombré Rainbow Cookies (\$49). There is so much pressure at this time to buy the perfect gift for those we love, and it can make the Christmas season stressful.

I used to spend so much time looking for Christmas gifts for my sister, her 4 children, and her husband and ensuring that I got it ordered through Amazon Prime shipping so that the gifts would make it in time. Most of the time the gifts were a welcome treasure for a day or 2, but then like with my kids, the presents lost their magic and ended up buried away in a closet or taken to Goodwill. So, a few years ago I decided to do something different through UMCOR.

UMCOR is the United Methodist Committee on Relief and is the global humanitarian aid and development organization of the United Methodist Church (UMC). UMCOR is a nonprofit 501(c)3 organization operated under the auspices of the General Board of Global Ministries. One hundred percent of donations are directed to an earmarked project or relief effort. UMCOR works through programs that address hunger, poverty, sustainable agriculture, international and domestic emergencies, refugee and immigrant concerns, global health issues, and transitional development. These programs are categorized into three major areas: Humanitarian Relief / Disaster Response, Sustainable Development and Global Health (in collaboration with UM Global Ministries).

If you go to the website www.umcmmission.org/umcor/ you will find all of the many projects that UMCOR is supporting around the world. Each project gives pictures and a brief story about how that project is changing the lives of people around the world for the better. It's truly amazing how much good work that the United Methodist Church is doing!

100% with

UMCOR

United Methodist Committee on Relief

100% of each gift reaches the mission or ministry of your choice.

So, rather than find the most popular product on Amazon I simply donate an amount to a project, print off the information about the project, and send it in a Christmas card to her family. In the card I let them know

that the gift was made in honor of them as a Christmas present.

I was a little nervous the first year I did this as I thought they'd miss the toys. I was somewhat surprised when they received the card and thanked me for their Christmas gift. They were excited to know that they had helped bring clean water to a village in Africa. Now they look forward to read about the new project I chose for them each year.

So, if you are stressed out about what to get that special someone then I invite you to join me and others in the church who have started to donate to UMCOR projects in lieu of gifts. From my experience people will truly be grateful for the honor and the information about how their Christmas gift is helping others. Additionally, it will help many to remember what the meaning of Christmas truly is.

In Christ,
Pastor Tony

TRUSTEES' REPORT

By Kathy O'Shea, Trustee Chair

When God's people are in need, be ready to help them. Always be eager to practice hospitality.

- Romans 12:13

How privileged we at TUMC are to have such a beautiful space, centrally located, that we can share with our community. One of the activities of the Trustees is to co-ordinate this outreach ministry of being a good neighbor by providing an inexpensive, comfortable and safe place where not for profit groups can meet. Below is a list of the groups that our church has hosted this year. We would love to expand this list and that is how all of you can participate in this outreach ministry. If you know of any groups looking for space, please send their contact information to either me or Lynn. I would be happy to show off our church and see if we can meet their needs.

2023 Community Groups:

- American Guild of Organists
- Candlelight Concert Series
- Community Photography Group
- Firefly Preschool, now Dragonfly Preschool
- Habitat for Humanity, East Jefferson County
- Hospice Foundation
- Olympic Angels Foster Family Board
- PT Cottage School, home school enrichment program
- Recyclery Board
- Refuge Recovery
- Summer Singers
- Wacky Wednesday after-school program for Middle Schoolers
- Wild Rose Chorale

(Spotlight continued from page 1)

- Energy efficiency (such as solar panels) in response to the climate emergency
- Discipleship development and growth
- Volunteer coordination/community organizing.
- Investing in staff
- Diversity, equity, and inclusion ministries

This is a partial listing of the ideas we're considering. Over the course of the next few meetings our committee will be prioritizing recommendations for sharing with the congregation and the administrative board of the church. We hope to close our work with a set of

strategic proposals that will answer the call to increase and deepen our Christian discipleship individually and as a congregation. We are very open to receiving ideas and suggestions from you as we continue this work.

I am grateful to this committee (members listed below) for their good work.

FINANCE COMMITTEE

By Zoe Ann Dudley, Finance Chair

Hello All,

I want to report to you that on November 14, your Finance Committee held a lengthy meeting to begin the 2024 Budget Process. We were pleased to welcome our new "Official" member Paul Nebel.

We carefully went through each and every expense and income item. As we have taken on the mortgage payments, that alone creates an additional expense of \$12,000.

Half of all our expense line items will increase in 2024....some by a small percentage and others by a

larger percentage. We are analyzing everything carefully.

IN ORDER TO DETERMINE OUR TOTAL INCOME, WE WOULD GRATEFULLY APPRECIATE ALL EOGs (*Estimates of Giving*) TO BE SUBMITTED. Many have been submitted and we thank you for your generous donations. To everyone who gives what they can when they can, many thanks are given.

YOUR 2024 PLEDGE DOES NOT ROLL OVER FROM 2023. A new EOG is required each year. Thank you for your caring LOVE AND SUPPORT for Trinity. Together we will do our best to take care of our Church. It is an honor to work with you all.

TRINITY UNITED WOMEN IN FAITH

By Sarah Heiner, Trinity UWF President

Our general meeting on November 10th was held in the Fellowship Hall with our usual potluck. In attendance, besides the four officers were Dalene Edgar, Ross Mayeda, Margaret Engle, Chris Walvatne, Beth Kissinger, and Vicki Long.

Business items were discussed by Sarah. 1) Signing up to provide stocking stuffers (for the stockings made by Marlene and decorated at our last meeting) for the 4 children at Dove House

2) Signing up for the after-church Thanksgiving potluck on November 19 3) Issues with the front door and the recent appearance by Sarah, Pastor Tony, and Kathy O'Shea at the Board of County Commissioners to discuss our church's withdrawal of our grant request for ADA funds from the county's subcommittee. Sarah explained briefly that this was to avoid any potential for slowing down the project to repair the door further. We have most of the funds needed for an electric door opener, but Sarah is also actively looking into repairing the side of the new door that does not close correctly, which is a separate issue.

Zoe Ann then gave her Treasurer's report which was all good news! We now, thanks to our members' donations, have \$1122.18 in our bank account, making us able to fund our speakers' organizations of choice with \$100 each over this year, as well as make our usual Christmas donations of \$100 to both Dove House and Jumping Mouse. The latter two donations were approved by a show of hands at the meeting.

Sarah then congratulated Bess Anne and Debra for a job well-done, along with Marlene (out ill today) with our recent Harvest Craft Fair and Bake Sale. Zoe Ann reported that it is looking like we will have made well

more than \$3000, most of which hopefully will be used on a new floor for our kitchen.

Bess Anne was then invited to bring the group up to speed on what's happening with our kitchen. She reviewed the detailed paperwork for the county, which she completed, and the groundwork laid out over the years by Donna Purnell, Marlene, and many others to reach our goal successfully of being a designated Donor Kitchen as well as a Donor Food Distributing Organization. Bess Anne and Bill Brock will be meeting with the county inspectors on Monday November 13th at 9

am for the final walk-through inspection.

(I am happy to report that as of this writing, we passed our inspection and the trustees will be getting down to the nuts and bolts of having a kitchen committee and all the ongoing documentation etc. that will be needed to maintain it. This is big!! We can now cook at the church and take hot meals to the Legion Shelter, or wherever, as needed, among other potential service opportunities.)

Debra then introduced our speaker for the day; East Jefferson Habitat for Humanity's long-time executive director, Jamie Maciejewski. Prior to her talk we had a devotion from Deb from the book "What I Learned from God While...Gardening" by Niki Anderson and Christine Bolley. It centered on how some human interactions are similar to trying to force a flower to bloom out of season. Sarah then delivered a short prayer centered on Peace, for grace.

After eating Jamie gave us a great talk. She highlighted that Trinity and EJ Habitat have been entwined since

(Continued on page 9)

(Continued from page 8)

about 2006. She gave us a lot of information which is available in Bess Anne's minutes from the meeting which Sarah will attach to a group email. East Jefferson County's Habitat for Humanity website is <https://www.habitatejc.org/newsletter-subscription>.

Our December meeting will be at Sarah's home in the Cape George Colony. Her address is 161 Quinault Loop. There are indoor carpeted stairs. There is parking but carpooling is encouraged as the street is old and narrow. The board will meet earlier that morning to set up, then we will have a potluck luncheon and everyone is encouraged to bring a holiday favorite. After lunch we'll have a brief meeting then finish as we did last year with a carol sing-along. She has the lyrics from last year and again will take requests (if they're easy to play!) Libby Schnick will be playing her violin as well and hopefully Mary Hedberg will also be able to attend and play her dulcimer. Sarah is going to send out a separate email that week with a map.

TRINITY LIFE AND COMMUNITY

FROM SHIRLEY AND GEORGE WILLIAMS

It is very difficult to talk about our son John, who recently died, in person to so many so we're sending this message in the newsletter. All your children are special, but John, more recently, really special. When George broke his leg in May, 2022, John took 2 weeks of his vacation time to fly from Denmark to help. He cheer led his dad through many painful steps. He cooked meals, cleaned house, weeded the garden, mowed the grass and trimmed the bushes, all with a sense of humor.

John, at his home in Denmark, was a Finance chairman of his Methodist church for many years, and his family sponsored refugee families. They loved to entertain and hosted many big dinners for friends and family. He was an avid gardener and

his yard was filled with fruit trees, flowers and a waterfall with a large pond filled with large koi fish.

We received pictures and words from the service they held at his church. Several phrases stand out, he was a man of deeds and actions for his friends and family. His daughters list him as the "World's most patient man". His wife had been sure they had 30 more years. As parents, we can't take all the credit, John was influenced by many friends, neighbors, church camps, teachers, and work colleagues. He lived a good life and left us with many wonderful memories.

Sincerely,
Shirley and George Williams

CAN YOU GUESS WHO IS IN THE MIDDLE OF THIS PHOTO?

Holiday Appetizers

We will not be having Taco Sunday in December. Instead, we will be doing appetizers on **Sunday, December 17th** after church. We hope everyone will participate by bringing your favorite dessert or snack to share. After our lovely Thanksgiving Table let's fill up our Christmas Table with hors-d'oeuvres and treats!

Please pray for healing and support for our Trinity family, friends, and family members.

Pray also for those who are lonely, grieving, in need, homeless or looking for work, and for peace in our world.

Also, remember in your prayers all those in the military, and pray for all in harm's way and their families, as well as those who have lost loved ones to war.

Please pray for those innocents who have died and those affected by war and violence throughout the world.
