## SPOTLIGHT ON SUNDAY SPRING WORKDAY

By Kathy O'Shea

### And it was!!

Our 1st Annual Sunday Spring Workday was a HUGE success!!

We had approximately 55 people who stayed after our abbreviated service on May 4, to help weed, dig, plant, mulch, trim, clean, repair and improve things both inside and outside. We also had a great crew setting up and cleaning after a tasty Taco lunch. By noon the church sparkled, and we were fed.

My favorite parts were the laughter and camaraderie that was heard and seen everywhere. Thank you all for embracing our experiment with gusto. Because of your positivity it was a wonderful day. ■

The mission of the Trinity United Methodist Church is to be a welcoming ministry to all persons equally; to nurture spiritual development, fellowship and outreach.

## PASTOR'S LOG

By Pastor Tony Brown

Many of you may not realize it, but in addition to all the other hats that Kathy and Kevin O'Shea wear around our church they also have been tracking attendance for us for the past year. They've been doing this so that we can get a feel for whether we are growing or not, and so that we can check in with people who have not been here and make sure they are doing ok. The member care team follows up with Kevin and Kathy's tracking so that the group can reach out to those who we haven't seen in awhile. I can not thank them enough for this valuable way they are serving our church.

The good news is that we are definitely a growing church. Our average attendance in 2024 was 55. Our average attendance so far in 2025 is 64. That is an increase of nearly 20% year to year! Our goal each year as a church is to increase our attendance by 10%. Church, WE HAVE DOUBLED THAT!!!! That is amazing growth for a church in our time. Many churches are simply excited to see that attendance has not dropped year to year. Unfortunately many are seeing continual declining attendance and membership. That's not the case for us, and it's all because of how amazing our congregation is and how hard we work to be welcoming, inviting, loving, and exciting!

If we continue this trend, which I believe is totally doable, then by 2026 we will see 76 on average. In 5 more years (2030) we will have grown to over 100 on average!

I truly believe this is possible if we continue to do what we've been doing. As we say in the south "No need to fix what ain't broken". We are neither a broken or dying church! We are a church that truly is on fire displaying the love of God to those inside and outside of our community of faith.

*' The good news is that we are definitely a growing church. '*

In Acts 2 we read "The believers devoted themselves to the apostles' teaching, to the community, to their shared meals, and to their prayers...and God added people daily to the community". God is on the move at Trinity! The

Spirit is truly at work! We are on the cusp of a bright future all because of you! Keep up the good work Trinity!

In Christ,  
Pastor Tony ■

## RUMMAGE SALE

By Jennie Williams

**ANNUAL** ALL CHURCH RUMMAGE SALE...and it is coming sooner rather than later....**Friday and Saturday, 9AM-3PM, 22 and 23 August.** Now is the time to begin to sort out those Holiday decoration crates, your tool spot, that garden shed, the attic (if you're lucky enough to have one). What could you do with all that EXTRA storage area? Think of the dollars you'll save. No need to add on, or rent a Storage Unit once you've identified those donations.

Not to overlook that space where your vehicle squeezes into...the dreaded garage...imagine how perfectly wonderful it would be to have enough room on BOTH sides of the car to enter and exit. Just think, no more rain dripping down your passenger's neck while they wait for you to reverse onto your spacious, by comparison, driveway. No more checking to see if the neighbours have passed by before opening your garage door...wouldn't want those Nosy Parkers judging the jumble inside. After all, one must Keep Up Appearances.

Best dreams about ALL THAT SPACE you will reclaim. Consider the justified(?) superior attitude, at least a sense of a job well done, you shall experience as each nook and cranny of your home becomes so very tidy. You might even author a Book, a best seller, and give lectures to others on How To Do This the Right Way. Quite inspiring, those dreams...

We will most happily receive your items, after 1 July, as our designated storage area, the room off the Fellowship Hall, is needed to rest the tables and chairs from the Hall while that carpet is being cleaned. We will have the ability to transport large items at a later date. We actually take most anything, EXCEPT Clothes.

Lots and lots and lots of volunteer positions available. No experience needed. More of that in a bit. Questions, etc. Jennie Williams, 360-344-2366 (being a dinosaur, this is not a cell phone, does not text, does sport an answering device), [just15may@gmail.com](mailto:just15may@gmail.com). ■

## CANDLELIGHT CONCERT

Thursday, June 26, 7PM

By Beth Kissinger, John Miller, and Ron Portin

# Lino Rivera

## Light and Love

*In-Person, Online & On the Air*

**Trinity** United Methodist's Candlelight Concerts host Lino Rivera, a classical pianist, who will be performing at the Candlelight Concert series at Trinity United Methodist Church on Thursday, June 26 at 7:00 PM for one set with no intermission.

The performance will also be streamed live at <https://trinityumcpt.org/concerts> where you will find a link for the Candlelight Concerts Online and ways to donate. The concert will also be simulcast on KPTZ FM 91.9.

Admission to the concert is free (really!), with a suggested donation \$15 per person. You are most welcome to attend whether you choose to donate or not. Half of the proceeds from this concert will go to Rivera's chosen charity, Habitat for Humanity of East Jefferson County.

Born in the Philippines, Rivera has performed as a solo recitalist, concerto soloist, chamber musician and accompanist on three continents. He makes it his mission to advocate and premiere contemporary works; to explore and meet the artistic, creative, and technical challenges of piano transcriptions; and to discover and perform obscure solo piano repertoire throughout the ages. Rivera maintains active concert engagements across the country, and is a regular performer, teacher, and

chamber music coach at music festivals here and abroad.

The program will feature two types of piano transcription or piano arrangement:

Literal transcription is where the transcriber takes each note of the original work, written for another instrument, and adds an aspect or layer of difficulty for the pianist. The selection presented here is *Bach's Chaconne in D minor for solo violin*, transcribed for the piano by Brahms;

Partition or reduction is where the transcriber could not possibly enhance or add notes to the original text, but simply adapted the extensive orchestral score for piano solo in an effective manner idiomatic to the instrument. This is the art of extracting the essence and meaning of the original text, and rewriting them for ten fingers. The selection presented here is Tchaikovsky's *Romeo and Juliet Fantasy Overture* for orchestra, transcribed for the piano by the Russian pianist Vyacheslav Gryaznov.

Another work in the program is a Washington state premiere of California pianist and composer Richard Cionco's *Lux Aeterna* (2024). From the composer's

*(Continued on page 7)*

(Continued from page 6)

notes: "Lux Aeterna finds its origins within the Catholic Mass, meaning Eternal Light. Richard Cionco's Lux Aeterna suggests a broader secular message, where in our world, as we experience it historically and currently, holds forces both evil and good--a timeless narrative...Compositionally, the music unfolds episodically, utilizing thematic transformation techniques throughout. Two emotionally opposing themes are juxtaposed and transformed texturally and rhythmically, finding resolution in the end."

Trinity United Methodist Church is located at 609 Taylor Street, across from the Community Center, in Uptown. Attendees should plan on arriving early - doors will open at 6:30. Masks are encouraged for in-person attendees. ■
