

SPOTLIGHT ON 2025 (AND BEYOND)

By Pastor Tony Brown

Dear Church,

As we are well into 2026 now and planning all of our events for the year, I am still reflecting on all that God has done through Trinity in 2025. And the word that keeps coming to mind is gratitude.

This past year, our average worship attendance grew from 55 in 2024 to 64 in 2025—an increase of nearly 20%. That kind of growth does not happen because of a program or a plan. It happens because of you. It happens because of the love you show one another, the welcome you extend to visitors, the invitations you make, and the countless ways you live out your faith each day.

We saw that faith lived out through your care for this church. More than 55 people participated in our Spring Workday, and many of you returned again for our Fall Workday—planting, cleaning, repairing, and improving our church. Because of your dedication, this building continues to be a place of welcome and ministry for our entire community.

Our Trustees and many others—gave countless hours this year. Because of their leadership and your generosity, we completed our office remodel and continue working to improve and care for our facilities.

You also served our community in powerful ways. Our Annual Rummage Sale raised over \$4,500 to support ministry. Trinity members volunteered with the YMCA Food Scarcity Project, helping provide food for local families. United Women in Faith and our Wacky Wednesday youth made 100 handmade stockings for Dove House, sharing Christ's love with those in need.

Our youth ministry continues to be one of the greatest signs of hope for Trinity's future. Through the leadership of Anita-Louise Marley, Ross, Donna, Brooke, and others, Wacky Wednesday has become a place where

The mission of the Trinity United Methodist Church is to be a welcoming ministry to all persons equally; to nurture spiritual development, fellowship and outreach.

teens find belonging and faith. This year, 13 teens performed *The Absolutely Insidious and Utterly Terrifying Truth About Cat Hair*, raising funds for their summer trip and our local food bank. This year they will be doing another program on June 6th to raise money for the Northwest Immigrants Rights Project.

We also saw incredible ministry through our mission work. Twelve members of Trinity traveled to Kenya, where they built a home for a family of seven, provided medical care to more than 1,000 people, gave deworming medication to over 800 children, and helped support sustainable farming efforts. Because of your generosity, Trinity is helping establish catfish farms that will provide ongoing income and support for churches and communities there.

Our ongoing ministries also continued to flourish. Our Hiking Group celebrated its 8th anniversary, completing nearly 500 hikes and walking more than 2,100 miles together. Our Faith, Peace, and Justice Library, under Margaret Engle's leadership, continued helping us grow in understanding and faith. Our Candlelight Concerts, Christmas Concert, and weekly worship services filled our sanctuary with music, joy, and community. We also launched our Children's Sunday School program, planting seeds of faith in the next generation.

March 2026

We celebrated the faithfulness of so many among us, including Marlene Colvin, who was honored with the Habitat for Humanity Golden Hammer Award for her years of service.

Church, none of this happened because of one person. It happened because of all of you.

It happened because you showed up.

It happened because you gave generously.

It happened because you served others.

It happened because you trusted God.

I truly believe that God is at work at Trinity. I see it in the new faces joining us. I see it in the relationships being formed. I see it in the ways you care for one another and this community.

Thank you for being the church.

I am excited to see what God has in store for us for the remainder of 2026.

In Christ,
Pastor Tony ■

UNITED WOMEN IN FAITH

By Kathy O'Shea, UWF President

Our February meeting brought out the craft designer in all of us. Linda York (our local master spinner) led us in this yarn project. My kind of project—no right or wrong way to do it and you can talk to people at the same time. Thank you, Linda; we had a great time.

March 21 will be our next Saturday Potluck Brunch meeting. Olympic Area on Aging is coming to present a nationally acclaimed program called "Dementia Friends". From their website: "Dementia Friends will help us better understand changes someone may be experiencing as well as ideas to help us be better neighbors, friends and community members." I imagine that everyone has a friend or relative struggling with dementia. This program is intended to help us all be more comfortable and knowledgeable in how we help our dear friends remain active in our community. As the program is around 45 minutes long and we want time for questions, we will not have the business portion of our meeting.

Ongoing projects:

We are collecting personal hygiene products for Dove House. Look for the pink box in the Fellowship Hall. A list of needed items is above it. We have already delivered 2 large trash bags full. As with many non-profits, there is great need and anything is appreciated. Thank you all.

UWF members are providing our monthly Birthday Cake at Fellowship Time after church. We are transi-

tioning to having the Birthday/Anniversary celebration on the first Sunday of the month. March will be the second Sunday and then starting in April we will have our cake on the 1st Sunday.

Our exercise program, designed for those with arthritis or any joint issues, is held every Monday at 11am in the Fellowship Hall. This is open to everyone.

NEXT MEETING:

SATURDAY, MARCH 21 AT 10:00AM

Potluck Brunch

Hope you can join us! Please invite your friends and neighbors. ■

CANDLELIGHT CONCERT

Thursday, March 26, 7PM

By Beth Kissinger, John Miller, and Ron Portin

Kevin Ayesh

A Musical Springtime Bouquet

In-Person, Online & On the Air

Trinity United Methodists Candlelight Concerts host Kevin Ayesh, a classical pianist who will be performing at **Trinity United Methodist Church** on **Thursday, March 26, 2026 at 7:00 PM** for one full set with no intermission.

The performance will also be streamed live at <https://trinityumcpt.org/concerts/> where you will find a link for the Candlelight Concerts Online and ways to donate. The concert will also be simulcast on KPTZ FM 91.9.

Admission to the concert is **free** (really!), with a suggested donation \$15 per person. You are most welcome to attend whether you choose to donate or not. Half of the donation proceeds from this concert will go to Ayesh's chosen charity, Olympic Neighbors, whose mission is to create home and community for people with intellectual and developmental disabilities.

Ayesh's Candlelight Concert program will feature Beethoven's ever-popular Pathétique Sonata, followed by a "beautiful springtime bouquet" of lyrical and passionate works by a variety of Romantic composers: Schubert, Schumann, Chopin, and Rachmaninoff.

Pianist Kevin Ayesh has presented concerts and master classes throughout the United States as well as in Canada, the United Kingdom, Ireland, Iceland, Belgium, the Netherlands, Germany, Sweden, Switzerland, and China. As a North Carolina Visiting Artist for four years, he appeared before thousands across that state, performing as many as 50 recitals in a season. He has been a featured guest recitalist and clinician at the Lindlar International Piano Festival in Germany, the Star Valley Junior Music Festival in Wyoming, the Gene Marcus Pi-

ano Festival at Purdue University-Fort Wayne, and the USA Piano Camp at the University of South Alabama.

Ayesh is the recipient of many prizes and awards, and has been a finalist in several national and international competitions. He served for nearly 30 years as head of the music department at Blue Ridge Community College in Flat Rock, North Carolina, and is currently Adjunct Professor of Piano at Spartanburg Methodist College in South Carolina. A native of Wichita, Kansas, Ayesh received his Bachelor of Music degree with highest honors from the University of Texas at Austin; his master's and doctorate degrees are from the University of Maryland.

Trinity United Methodist Church is located at 609 Taylor Street, across from the Community Center, in Uptown. Attendees should plan on arriving early – doors will open at 6:30. Masks are encouraged for in-person attendees. ■

CONFERENCE ROOM GALLERY

"Port Townsend Portraits"

Check out our installment in the Conference Room Gallery. It will set you once again marveling about this beautiful place we live in!

Paul Nebel and his late wife Jean moved from Arizona to Port Townsend over 15 years ago. Paul was taken by the different landscapes and architecture here, a strong contrast from the desert dryness and terra cotta colors they left behind. He was captivated with this, new to him, place. The abundance and colors in plant life, along with historical Victorian commercial and residential buildings, moved him to take up his camera and explore the town, engaging in its beauty and history. You are invited to take a few moments to share his experience and perhaps be reminded of how you too, were taken by this special place we call home.

The Food Bank tells us that they're biggest need right now is protein, so in addition to any other food donations you would like to make, we are emphasizing one type of protein each month (in "shelf-stable" or nonperishable containers) that we'll deliver to the Food Bank. There is a basket near the new entry door to place your donations.

March's emphasis is for SPAM. If you want to write a check, **please make it out to TRINITY UMC and write 'Food Bank' in the memo.**

HEARING ENHANCEMENT TECHNOLOGY IS AVAILABLE

Hearing enhancement technology is available. We have a Hearing Loop System that works in the main sanctuary (not the balcony or side room). Hearing loop systems transmit sound from a microphone directly into listeners' hearing aids or cochlear implants, free from ambient or background noise. You may need to ask your provider if your hearing aid has a 'telecoil' or 't-coil', and have them program or activate it for you.

If you would like to write about your Trinity group or its events (a great way to invite others to join!), please contact Lynn in the office to include in the Trinity Times newsletter as a short notice or as our Spotlight!
