

## SPOTLIGHT ON JOHN SABOL & PAUL MCDEVITT

In August 2021, we moved to Port Ludlow after living in Seattle for almost 30 years. John is originally from Maine and Paul from New Jersey. We've travelled all around the world, but the Pacific Northwest is home. Both of us were raised Catholic, but stopped going to church long before we met each other in 1994.

In 2009, we finally felt the urge to find a church home. After a short search we decided to become members of All Pilgrims Christian Church on Capitol Hill in Seattle, not far from where we lived. Then in 2010, we were married at the church with a big ceremony including opera songs! We liked it so much that in 2013 we did it again! This time we received a marriage license to make it official. You know they say that the third time's a charm. So, don't be surprised if you hear wedding bells again!

Moving out of Seattle, the place where we met, married, and shared a home for 25 years has been a difficult but ultimately, positive transition. In reality, Seattle moved on without us. We hardly recognize the city that we fell in love with so many years ago. And so many of our friends have retired and moved away. We were ready for a change!

We are now both retired and looking forward to a slower pace of life. We love travel, wine, music, our dogs Murphy and Ginger, the outdoors, good times with friends over a home-cooked meal and lively dis-

## PASTOR'S LOG

By Pastor Tony Brown

Dear Church,

Sunday is always a wonderful day at Trinity, but we have church on Wednesdays as well...just a bit differently. Jesus tells us in Matthew 18:20 that *"whenever 2 or 3 are gathered in my name, I am there"*. Church doesn't always look like Sunday mornings, but according to Jesus' words, it's still church.

Church begins on Wednesday with our incredible Trustees and their helpers and our awesome "Clean Team". As many as 20 people can be found at Trinity cleaning our building, changing light bulbs, working to make our sound and audio better for streaming, and numerous other projects that need to be done to make our building a welcoming space. Afterwards these people sit and enjoy coffee and cookies together and connect about life issues.

Church on Wednesday continues at 11am when we have our Souper Wednesday study. We just finished the book "Lunchladies Bought My Prom Dress" and enjoyed a different homemade soup at each study. I can't tell you how much I've fallen in love with soup since we began this program - there have been so many varieties to enjoy! We will begin another study on November 8th called "Experiencing Christmas". The study will help us to get ready to enjoy the Advent/Christmas season in a new way. If you'd like a book please let me know.

Finally, Church on Wednesday concludes with the Wacky Wednesday program from 1:30-3pm. Above you'll see a picture of our group from two weeks ago

where they went around together door to door to collect food for the Wave Food Drive. We provide a safe and fun experience for the kids where we try our best to love them like Jesus does. I think the growth in this program shows that the Spirit is on the move.

So, what's our average attendance at worship? Well, I'd have to respond, "which worship service are you talking about? Sunday...or...Wednesday?" On Wednesday there are as many as 40 people coming to church. No, it doesn't look like Sunday morning, but Jesus is there. and therefore it's Church.

In Christ,

Pastor Tony

## CANDLELIGHT CONCERT

Thursday, November 16, 7:00 PM

By Beth Kissinger, John Miller, and Ron Portin

# Kozmopolis

*In-Person, Online & On the Air*

Trinity United Methodist's Candlelight Concerts host Kozmopolis, a local folk music group. The performance will be at Trinity United Methodist Church on Thursday, November 16, at 7:00 PM for one set with no intermission.

The performance will also be streamed live at <https://trinityumcpt.org/concerts> where you will find a link for the Candlelight Concerts Online and ways to donate. The concert will also be simulcast on KPTZ FM 91.9.

Admission to the concert is **free** (really!), with a suggested donation of \$15 per person. You are most welcome to attend whether you choose to donate or not. Half of the proceeds from this concert will be donated to Recovery Café (<http://www.recoverycafejc.org/>), a recovery community based on the belief that everyone deserves love and belonging and where a beautiful, safe, warm, drug-and-alcohol-free space exists for everyone.

Kozmopolis brings poignant and joyful sounds of Eastern European folk music to the Candlelight Concert stage. Featuring Port Townsend couple Mark "Kozmo" Schlenz on violin and Jane Freeburg on accordion with Dan Harrison on bass, listeners can expect rousing dance beats, lyrical waltzes, and evocative melodies from Ukraine, Romania, medieval Spain, and originals continuing the tradition.

"We play music for the Global Village," violinist Kozmo explains. "Jane was turned on to world music as a folk dancer in the 1970s, and I was obsessed with the world's fiddle music when we married in 1982.... We've

been playing together ever since." Bassist Dan Harrison, who recently transplanted to the area with twelve years performing and recording with the San Francisco area Klezmer band Hernandez Hideaway, brings creative inspiration and solid grounding to the trio. A multi-talented musician and graphic artist, Dan performed his analog modular synthesis compositions as Manys Lunch Organ at Thing this August.

Kozmopolis performed in 2023 at the Juan de Fuca Festival in Port Angeles, the Brass Screw Consortium Steampunk Festival and the Wooden Boat Festival in Port Townsend, and headlined the Backwoods Accordion Festival in Trego, Montana.

Trinity United Methodist Church is located at 609 Taylor Street, across from the Community Center, in Uptown. Attendees should plan on arriving early – doors will open at 6:30. Masks are encouraged for in-person attendees.

## TRINITY HIKING GROUP

*By Nancy Stevens*

**Our** hiking group is rejoicing in the splendor of fall! The colors, crisp air, cooler temps and the crunch of leaves underfoot have been a delight! We are enjoying our beautiful local trails and traveling a bit further to catch a glimpse of the mountains in autumn.

If you, or someone you know, would like to join us on these outings, please share this email address with them (Nancy Stevens at [nstevensnow@gmail.com](mailto:nstevensnow@gmail.com)) - we love to see new faces in our group and make new friends. Walking a trail together provides wonderful opportunities for that! Our hikes are generally between 3-4 miles and don't involve too much elevation change. Occasionally we do a more challenging trail because we have some favorites we have experienced through the years. Being on the hiking notification email list does not obligate you to show up - it just provides an opportunity to be there. We hope to see you soon!

cussions on just about any topic. John has done many things in his life from owning and managing a restaurant, to building houses, working with developmentally disabled adults, and a long career as a licensed massage practitioner. Paul is a lawyer who spent most of his career as a federal investigator and spent a few years working as a graphic designer when he was younger.

Our love of travel has taken all around the world from Europe (Italy, France, Spain, Austria, Ireland, England, Hungary, Germany, the Netherlands, Slovakia, and the Czech Republic) to Asia (Vietnam, Cambodia, Thailand,

and Bali) to closer places such as Alaska, British Columbia, Mexico and Costa Rica. We have also taken several long road trips within the U.S. The longest being a 4,000-mile roundtrip from Seattle to Indiana to visit John's sister and her family.

We are excited to start a new chapter of our lives on the Quimper Peninsula and look forward to getting involved and getting to know all of you here at Trinity United Methodist!

## TRINITY FRIENDS

Trinity Friends started last year at this time as a way for those in our congregation to get to know each other. Formed in groups of six to eight Trinity Friends is an opportunity for small groups to spend time together in a variety of activities. Some groups may have a meal together. Another group may go for a walk or see a play together or meet for breakfast. Each group sets their own schedule and choose activities that work for them. Our Hosts are asked to organize the first activity and then others in the group take turns doing the planning. In the Spring we will choose new groups so everyone has the opportunities to meet those in our congregation. Please let us know if you would like to be part of Trinity Friends. And if you have questions please contact us. All are welcome!

## FINANCE COMMITTEE

*By Zoe Ann Dudley, Finance Chair*

**Your** Finance Committee met on October 10, 2023. We were very pleased to welcome our New Finance Committee member Paul Nebel. Ron Rivas, George Williams, Dan Purnell, Pastor Tony Brown and Chairman, Zoe Ann Dudley were present.

We were pleased to approve a 5% salary increase for Pastor Tony Brown, proposed by our SPRC, effective Jan, 1, 2024.

What is most significant is that Trinity Congregants continue to provide steady EOG and NON EOG contributions through 9 months of 2023. Additionally all expense categories with the exception of Utilities are under budget. This combined with our positive Income position gives us a Net Income position of \$8,095 through September. Much of this is reflected by increased Church Service attendance and the addition of 11 new members in 2023.

- YTD September Annualized EOGs are \$655 over budget @ 100.7%
- YTD September Non-Pledge Contributions are \$3,241 over budget @ 122.7%

- YTD September Loose Offerings are \$2,022 over budget @ 167.7%
- YTD September Annualized Total EOG+Non-Pledge are \$3,896 over budget @ 103.5%
- YTD September Annualized TOTAL INCOME is \$3,349 over budget @ 102.4% (includes all donations, rents, Candlelight Concerts, etc.)
- YTD TOTAL EXPENSES are \$4,745 UNDER BUDGET @ 96.7%
- Cornerstone Pledges continue to provide monies for our monthly mortgage payment of \$1,001
- Cornerstone Mortgage payments will be paid from our Operating Budget in 2024

Beginning with our November 14, 2023 meeting, we will begin the process of creating a healthy and fiscally responsible 2024 Budget. We pray for sound decisions as we strive to take care of Trinity United Methodist Church. Your commitment to contributing to this with your dollars and volunteer help is most sincerely essential to our existence. Join us in the JOY of LOVING our church and each INDIVIDUAL MEMBER of Trinity.

## FAITH, PEACE, AND JUSTICE LIBRARY NEWS

By Margaret Engle

If you are one of the 26 Jefferson County Library patrons patiently waiting to check out Timothy Egan's new book, *'Fever in the Heartland: The Ku Klux Klan's Plot to Take Over America, and the Woman Who Stopped Them'*, you can find this book soon in our **Faith, Peace, and Justice Library**. As noted by one reviewer, this book "combines Egan's diligent research with his ability to create credible, emotionally gripping scenes. It should be studied by groups and individuals sincerely wishing to understand America's past..."

Another new book is *'Do the Work, An Antiracist Activity Book'*. This book, by W. Kamau Bell and Kate Schatz, includes conversations, puzzles, games, short articles, and quizzes! One example is "Bootstrapping: The

Game!" There are two ways to play, as a white person or the Other. One can play this game alone by taking both paths. Example: Perhaps you land on this square: "Valid ID required to buy boots. Give them your Tribal ID, but they don't accept it. Move back 2 spaces." Who managed to buy boots first? And what is the "bootstrapping" myth?

Please remember the "We Are One" Native Art Exhibit at the Jefferson Museum of Arts and History running through December 31. If you have friends and family visiting for Thanksgiving weekend, take them to see this. Visit on the first Saturday of the month for free admission.

## TRINITY UNITED WOMEN IN FAITH

By Sarah Heiner, UWF President

**Our** Trinity Women's Group met for our October meeting on Friday, October 20th in the Fellowship Hall. After a beautiful and very timely devotion read by VP Debra Olson, Sarah read the Treasurer's report on behalf of Zoe Ann Dudley who was out of town. We had a generous infusion of donations after the September meeting, swelling our checking account to over \$900. This ensures our ability over the next year to donate on behalf of speakers and to our preferred local charities. A big thank you to those who have donated, and a reminder to all that we are always open for more donations to contribute to our causes.

Debra discussed options for our next meeting on **November 10th**. We discussed meeting for a tour of the Recovery Café at 11:00am that day, followed by either a group, individual-pay, lunch at Bayview Restaurant, or a potluck back at church. The vote was for the latter. However, after the meeting, Debra was advised that the Recovery Café will be closed on November 10th in honor of Veterans 'Day. We will table that activity to next winter or spring. Instead, Debra is looking into having a speaker from Habitat for Humanity come speak with us on 11/10 about their organization. Sarah will send out an email sometime in the next few weeks to let members in attendance at the October meeting know who will be the final speaker. Our December meeting will be a Christmas luncheon potluck and carol sing-along at Sarah's house in Cape George Colony. She will have a list of last year's carols to share at the November meeting, so that if anyone would like to add another favorite Sarah can see if she can find music she can play! This year, it will be piano only.

Sarah also brought up a book title that Zoe Ann had recommended to the board at their meeting earlier in the week. It is *'Angeline'*, by local author Anna Quinn. Zoe Ann feels that, though it is fiction, it speaks to the

lives of women in our church and in other faith communities. Bess Anne stated that she has already purchased the book on Kindle and that it is also available as an audiobook.

Finally, Sarah said a prayer centered around the second Fruit of the Spirit, joy and our need to keep finding and expressing it, despite these difficult times. We then enjoyed a light lunch of sandwiches, fruit and some desserts before embarking on the day's activity of completing projects for the upcoming Craft Fair. It was a busy, fun time and more than 12 women

were able to stay and work for an hour or more to help fill our "completed work" table.

*Forging On with Faith! Sarah*
